Privacy Policy

ORCA House only has access to or collects information that you voluntarily give us via email or other direct contact from you. We do not use cookies or any hidden tracking devices on our website.

We will not share your information with any third party outside of our organization.

We will use your information to respond to you, regarding the reason you contacted us.

You may opt out of receiving any future contacts from us at any time. This includes an "opt out notice" in any future email we may send you.

You can see what data we have about you, if any, and change/correct that data at anytime by contacting us via the email or phone number given on our website.

Upon your request, we will delete any data we have about you at any time, if you contact us via the phone number or email address given on our website.

Board Approved: 2/9/10
